Healow Televisit Appointments

There are two ways you can join your tele-visit appointment. By logging into your patient portal account via your computer or by using the Healow app on your mobile device.

Tele-visit Appointment from Mobile Device

1. Locate the **Healow app** on your mobile device and click to log in.
2. Select the **appointment tab** to retrieve the list of appointments you have scheduled for today.

3. Select **“Start Tele-visit”** button to display the questionnaire and vitals.

4. Enter the **vitals**, For example if you have a blood pressure machine then you can enter it in. Vitals are not mandatory, you can skip this step.

5. When you are ready to see your provider, select the **“Start Tele-visit”**

6. You may be prompted to give permission for tele-visit to access your microphone and camera.

7. After all permissions have been enabled, you will sit in a virtual waiting room until the provider is ready to start the visit.
